

For friends and supporters of St Mary's Church, Halesworth, this is a crucial time to be offering financial help.....

There are two immediate needs. Firstly, the ancient boiler has finally given up after many years of service, and needs replacement. Secondly, the church must undertake urgent repairs to make the building safe and weatherproof. These repairs include the roof for which a second bid, requiring matched funding, is being prepared.

There are three ways in which you might help:

1. A one off donation, designated to either the boiler and heating system replacement or to the urgent repairs of the building.
2. A pledge to support the bid for a grant towards the roof repairs.
3. A standing order for a regular donation that will be used for current urgent repairs and further regeneration projects.

Quotes received so far for the boiler range between £12,500 and £28,000; for the roof and other structural repairs, I.R.O £100,000
